Teachers,

The following is a review of how to log onto the Power Teacher Web Site as presented at the Inservice of 8-27-2007.

1. Log onto any computer connected to the Internet
2. Enter the following web address – <http://powerschool.region15.org/teachers>
3. At the logon screen enter your username and password
 - a. Your username should be the same as your school username (but not in all cases)
 - b. Your password should be changed from the default given to you at the seminar.
4. You should then get the main teacher screen showing you your classes.
