

The College Fair comes to PHS

The first annual College Fair with Post Secondary Options will be held at PHS on Tuesday, April 6th from 6:30 to 8:00 pm in the new gym. Juniors and their parents are invited to attend as well as any other interested students and parents. Over 80 Colleges and 20 Technical schools will be at PHS to meet and talk with students and parents.

There will be prestigious 4 year Colleges and Universities as well as 2 year Colleges and Technical schools that feature programs in allied health, hairdressing, culinary, welding, auto mechanics, auto body, HVAC and many others. In addition, there will be representatives from The CT Dept. of Labor Apprenticeship Program and the military. We hope to feature a wide array of opportunities for all students.

In past years, juniors were taken by bus to the College Fair in Hartford. Due to the increase in class size, this is no longer feasible.
